

# MFC REDBIRD IPC PACKAGE

**\$879** plus tax

- 3 HOURS DUAL REDBIRD
- 1 HOUR BRIEFING
- IPC / REDBIRD RENTAL (1 hour)

Maintain your IFR proficiency without the cost of renting an aircraft. The IPC basically replaces the IFR renewal flight test. The standard is still based on the Transport Canada Flight Test Guide but follows a proficiency method rather than a pass/fail method. With the IPC, no recommendation is required. Depending on the level of proficiency of the candidate, preparation and practice will vary. Our package is based on the average requirements of a student based on average proficiency, and any extra training is at regular rates.
